

Subject	Detail
<b>Communication and Language</b>	This term, we shall be working on the children's understanding of narrative and explanation writing. They will be focussing on key features of a narrative and retelling a well known story, before creating their own based on what they have learned. Following this, the children will be working on their explanation writing- looking at facts and securing sentence structure. YR children will continue to develop their understanding of how to write words, captions and sentences with increasing independence. Throughout all of our writing opportunities, the children will continue to develop their understanding of full stops and capital letters.
<b>Mathematics</b>	The children will be covering Place Value, skip counting and sharing, time and fractions. Please see the <a href="#">additional sheet</a> for more information.
<b>Science</b>	The children will be focusing on humans, linking to their PSHE work, and plants. Please see the <a href="#">additional sheet</a> for more information.
<b>Understanding the World</b>	The children will be looking at how water can be used, and compare Cambridge to a water side city in Zambia. Please see the <a href="#">additional sheet</a> for more information.
<b>Computing</b>	This term, the children will work on logging on, accessing their secure Google account, and using the chromebooks to support their learning. Alongside this, we will be using the BeeBots to explore different continents, and the ipad to record our work.
<b>Art and Design</b>	During the first half term, we shall be cooking in D&T. The children will be investigating a city in Zambia and shall use a range of skills to create a Zambian salad. Please see the <a href="#">additional sheet</a> for more information.
<b>Festival and Celebrations</b>	St George's Day 23rd April
<b>PE</b>	The children will be developing their skills with completing a range of athletics activities, as well as beginning to learn about striking and fielding games (such as cricket) The second half of the term, the children will be developing their water confidence and swimming in our onsite swimming pool.
<b>PSED</b>	The class will be focusing on keeping safe and understanding what private means. As well as this, we will be exploring a range of differing communities to promote and demonstrate our British Values of respect and tolerance. In the second half of the term, the children will be focussing on transition and change, and how we manage this and the emotions this might bring.
<b>Known visits, or events</b>	Ely Museum and Boat Trip - tbc Abington Woods- Wed 30th April morning, Wednesday 21st May morning, Wednesday 11th June afternoon, Friday 11th July afternoon
<b>Home support</b>	Please continue to support your child to complete their set homework on Google Classroom. Alongside this, please read with your child at least 3 times a week.
