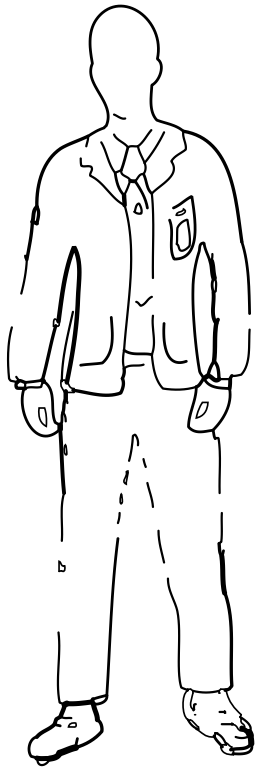
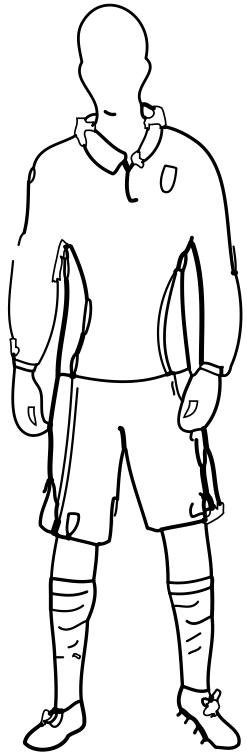
All About Me

This booklet is to help your new form tutor get to know you. Complete it and bring it to the taster day.





Reflection on your time at Primary School

A learning skill that is important to develop as you go through school is the ability to reflect, learn lessons about your strengths and consider what you might do differently. Write things you are happy to share with your classmates and your future teachers.

What are you proud of achieving at primary school?

	What might you do differently when you start at SWCHS?

A New Start!

Starting secondary school will help you build on your skills and experiences from Primary School and there will also be some new opportunities. Looking forward to this can be exciting, but you may also be unsure what to expect. Use these spaces to record your thoughts on changing school.

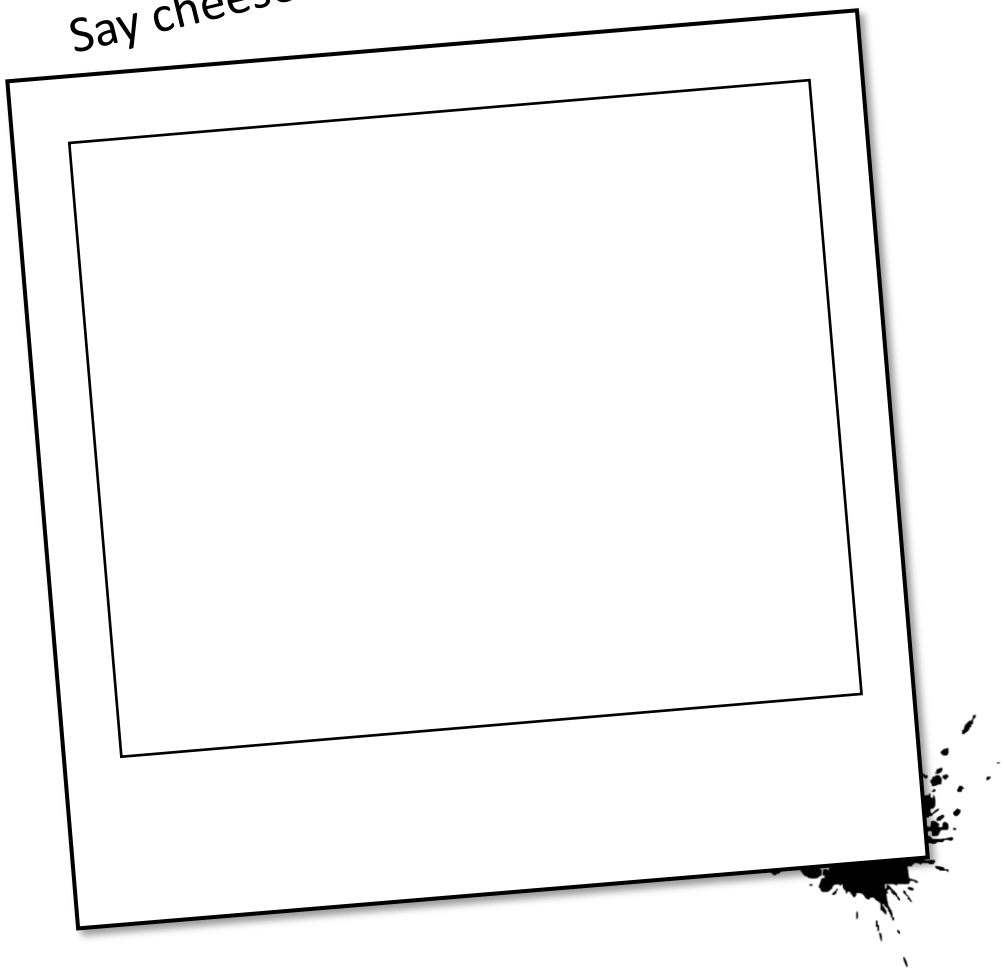
What are you looking forward to?

What questions do you have for your form tutor?

More About Me...

Stick a picture of yourself or draw a self portrait in the picture. Then answer the questions to tell your form tutor a bit about yourself.

Say cheese!



I'm really good at...

The best thing about me is...

I am happiest when...

I am most confident when...

My hope for the future is...

I like activities when I have to...

I'd love to be able to...

I would really like to learn...

Who is your role model?

Message from you to your Form Tutor

Name:

Primary school:

You will spend 15 minutes each Day with your Form Tutor. This time is called 'Registration'.

Your Form Tutor will be the member of staff who will get to know you the best.

In this message, you could talk about what you're looking forward to at SWCHS and what you might be a bit anxious about. You could also use this as a chance to tell them something about yourself which you haven't yet shared in this booklet!
